

**Cremation Society of Tennessee  
Disclosure/Disclaimer Form**

The Federal Trade Commission Trade Regulation Rule for "Funeral Industry Practices" requires certain disclosures and prohibits misrepresentations. This Disclosure/Disclaimer form is a checklist that we ask those we serve to read and sign during the arrangements for the funeral of:

Name of Deceased: \_\_\_\_\_  
Date of Death: \_\_\_\_\_  
Date of Funeral and/or Final Disposition: \_\_\_\_\_

I/We who made the arrangements for the funeral and/or final disposition of the above named deceased, do hereby attest to the following:

1. I/We were given/shown a General Price List effective: \_\_\_\_\_.
2. I/We were given/shown a Casket Price List effective: \_\_\_\_\_.
3. I/We were given/shown an Outer Burial Container Price List effective: \_\_\_\_\_.

I/We grant permission  / decline  embalming of the above named decedent.

4. I/We were not told that embalming is required by law and were told that the law does not require embalming except in certain special cases. If it was provided, this was done with my/our permission.
5. I/We were not told that any law required embalming for direct cremations, immediate burials, a funeral using a gasketed casket, or if refrigeration is available and the funeral is without viewing or visitation and with a closed casket.
6. I/We were not told that any law requires a casket for direct cremation. We were informed of the choices of cremation containers and offered to provide our own container if desired for cremation.
7. I/We were told that state law does not require the purchase of an outer burial container or any of the funeral goods or services I/we selected except as set forth on the Statement of Funeral Goods and Services.
8. No claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, out burial container) that embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term in indefinite time, or would protect the body from gravesite substances. No representations or warranties were made to me/us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral services we arranged were the expressed written warranties, if any, extended by the manufacturers thereof. No other warranties and no warranties of merchandising fitness or a particular purpose were extended to me/us.
9. I/We were not told that the amount of each of the cash advance items was the cost to the funeral firm. I/We were told the cost may be different based on volume or cash discounts or other professional/trade customs.
